ALPHA BETA GAMMA SCHOLARSHIP PROGRAM

Alpha Beta Gamma is the national honor society for students enrolled in Business and Professional curricula at two-year degree granting institutions. It was founded in 1970 by Business professors and is an established society at institutions of higher education across the country offering two-year degrees.

Working with transfer colleges and universities, the Society maintains a national Scholarship Program. Participating institutions offer available scholarships which are reserved for initiated members of Alpha Beta Gamma, and do so with the following understanding:

- The participating institution stipulates the scholarship requirements
- The recipient of the scholarship must be an initiated member of ABΓ™
- The scholarship is called “The Alpha Beta Gamma Scholarship”
- The institution lists the scholarship in the college catalogue
- The institution establishes standards for scholarship renewal
- The institution will give serious consideration to chapter adviser recommendations

ALPHA BETA GAMMA AGREES TO:

- Add the scholarship to the list of Transfer Colleges on the ABΓ™ website
- Announce the scholarship as a notable new addition on the website home page
- List the scholarship in the society’s Honors Journal, printed twice yearly
- Provide a link to your college’s website on the ABΓ™ website
